WOW! The harvest continues!

Another month of reports have been received from our national teams in Ghana and they continue to reveal the ministry expansion in West Africa.

For the first six months of the year our national teams have been able to share the gospel in 466 different venues with 260,571 people and record 149,919 indicated first time decisions for Christ. This is by far their greatest six months of ministry to date.

In addition to the work that these great men are doing, when we include the people from our first international team's project this year, all-in-all we have shared the gospel with a

indicated, first-time decisions for Christ!

This is a WOW moment for all of us involved in the work of the Gospel. I trust you will pause a moment right now and thank God for each one of these individuals who are now a part of the Kingdom of God. Thank the Father also for giving us all the opportunity to join Him in His work of the Gospel. Never has there been a better group of workers

STRAIGHT FROM MY HEART ...

Dr. & Mrs. Roy D. Mason, Jr.

The wonderful reports received from Ghana make my heart overflow! Never do I think I have been more thrilled by results of our men's labors in the field.

The teams, working alongside my brother, Rev.

Dr. Samuel Lartey, have proven again the proof of their love, devotion, diligence, and determination in the things of Christ. There are far too many for me to name in the article but each member of our team is worthy of attention. At the risk of only naming a few, I am compelled to ask you to pray for Simon, Ebenezer, Jacob, Emmanuel, Amauley, Emaka, Tetteh, Odikro, and Dr. Lartey. These, along with over 40 others are working so well in the fields of the Harvest.

I am humbled and honored to labor with these great servants in the Kingdom. Working in the Lord's

again I say, REJOICE!"*

vineyard makes me a better man, a better servant, and hopefully a better leader. Each of our workers bring unique skills to each project. I love everything about these guys. Some of my favorite moments of each project come when we are all just sitting, talking, and laughing. Even as I type these lines there is a smile across my face thinking about the past moments and looking forward in anticipation of the next ones.

The summer weather in Ghana has caused much flooding and even the loss of life in some severe conditions. Please pray of the nation of Ghana this month.

assembled than our men on the ground in West Africa. Under the excellent leadership of Pastor Sammy Lartey these men (and women) labor under extremely difficult circumstances going into often dangerous and desolate places with only one aim which is to share the life changing message of Jesus Christ with those who have yet to hear the gospel.

Pastor Sammy Lartey, Director

Each member of our team deserves to know that thousands of people are praying for them daily. Praying for their strength, safety, and security.

Pictured here are Pastors Simon, Jacob, and Ebenezer who are three of our 6 Area Heads and are member of our Executive Council.

Our next trip to Ghana is scheduled for September 2105. Pray for our men to find the roads God expects to us travel down.
